

My Times are in Your Hand Pt. 2!

KJV Psalm 31:15 My times (experiences & future) are in thy hand: deliver me from the hand of mine enemies, from them that persecute me.

We've talked about God being the **creator and manager of Time!**

How the scriptures often speak of **time in days and nights!**

That God **named** darkness Night and named light Day!

That each has its **own nature, character, and reputation!**

That **Night** has the reputation of being a time of darkness, evil, misery, and obscurity!

That **Day** has the reputation of being a time of light, goodness, joy, clarity and accomplishment!

Psalm 30:5b... "weeping may endure for a night, but joy cometh in the morning."

KJV Ecclesiastes 3:1 To everything there is a season, and a time to every purpose under the heaven:

- **God** by His providence determines the destiny of all creation and provides those things necessary for their purposes to be fulfilled!

Everything has its **season** (appointed time) to exist and fulfill its purpose! (Everything has a **self-life** the times it exists, is effective the time it loses its effectiveness and dies)!

There was a time when Egypt was an enemy of Israel, they exercised power over them and enslaved them!

The time came when God said through Moses the prophet when their backs were against the wall with nowhere to go and no help in sight!

*Fear ye not, stand still, and see the salvation of the LORD, which he will shew to you today: for **the Egyptians whom ye have seen today**, ye shall see them again no more forever. (Exodus 14:131)*

God said **today**, not **tonight!**

They had been in a **night season** for 430 years weeping & working!

It's a New Season the Day Season and they were about to see God rescue them from their enemies!

It wasn't that they would **never** see another **Egyptian**, no!

It was **these** particular Egyptians, their enemies, the ones who exercise **power and dominion** over them, had a **shelf-life** that was over.

They would certainly have interactions with Egyptians in the future, but **not** these, **not** the ones who had power over them.

Their time was up!

I came to tell somebody in 2021 there are some enemies you will never have to face again!

No matter HOW LONG they've been in your life!

God controls Times and Seasons, and your times are in His Hand!

ESV Ecclesiastes 3:11 He has made everything beautiful in its time.

God makes everything complete its assignment at the right time!

God as **creator and manager** of time, **oversees** everything that happens in time.

Israel would certainly see more Egyptians, but these their time was up!

We need to know our enemies have shelf-lives!

When Jesus was tired, hungry and tormented by the devil after He was baptized the scripture says.

Luke 4:13 And when the devil had ended all the temptation, he departed from him for a season.

Trouble don't last always!

The devil isn't omni present he can't be tormented every child of God everywhere all the time!

If he left Jesus for a season, there will be seasons he won't bother us!

Ecclesiastes 3:1 There is a time for everything, and a season for every activity under the heavens:

2 a time our enemies are born and a time our enemies must die,

A time our enemies are planted in our lives and a time they are uprooted.

There's a times to kill our enemies and a time to heal and restore them.

There's a time to break then down and a time to build them up!

There's a time to weep over them and a time to laugh over their efforts to destroy us and God blocked it!

There's a time to morn over those lost in battle and a time to dance for the victory!

There's a times to hold until the victory is won and a time to let it go cause those Egyptians are dead!

Ecclesiastes 3:6 a time to start looking and a time to stop looking, a time to keep and a time to throw away,

It's time to start looking at what's before us and let go of what's behind us!

It's time to throw away those past hurts, pains and disappointments and keep the memories of the good times!

It's time to shut up about the trivial things and speak up about what's important right now!

Psalm 31:15 My times are in thy hand: deliver me from the hand of mine enemies, and from them that persecute me.

Israel could only focus on God when the Egyptians were out of the way and off their minds!

They could only learn the ways of their God when the enemies of 430 years were no longer an issue!

I came to tell somebody you have **new challenges** facing you, let go of the past and embrace your destiny in Christ Jesus!

These are **The last Days**, our **experiences** are in God's Hand!
