

## The Writing on The Wall!

*KJV 2 Corinthians 4:18* While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

The things we can see are **temporary** the things we cannot see are **eternal!**

**The ability to see and properly interpret what God writes is key to understanding the Times we live in! (Our Times are in His Hand)**

We can tell where a person's focus is by what they pay attention to and we can tell what's on their minds by what they say!

*KJV 1 Corinthians 3:1* And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto **babes** in Christ.

**Babe** means “*untaught, unskilled, limited in knowledge and usefulness.*”

A **racist Christian** is at best a **babe** in Christ and is of limited use in The Kingdom of God, they may have much use in the world but concerning spiritual things not so much!

The first things they see, address and talked about is **skin color!**

For too long **Skin Color** has been the **first thing** people see and used to judge people and yet it's **temporary!**

After **skin color**, it's what a person is wearing, people are judged by what they wear and yet it too is **temporary!**

Having a **skin color** problem causes people to focus on the things of the earth and not heavenly things, the apostle Paul says...

*1Cor 3:3* For ye are yet carnal: for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men?

Paul says carnal people live and act like humans, not sons of God!

If our flesh dictates our thoughts, feelings, hopes, and dreams; we are being influenced by our corrupt nature and not Christ!

**America** just might be the most **carnal superficial** nation on earth!

Dr. King said in his “*I Have a Dream*” speech he longs for the day when children will be judged by the content of their character rather than the color of their skin!

**Character** is not immediately seen and is **eternal!**

**America** as a Christian nation **didn't** mature much over the centuries still judging people by their **appearance** and not by their **Character!**

*John 7:24 Do not judge by appearances, but judge with right judgment."*

**Christians have been so easily deceived because they make judgments based on what they see, rather than discerning the heart.**

Whether it be politicians, entertainers, athletes or prophets and preachers, people **easily** believe and follow people based on appearance.

Our society has been trained to see people a certain way, all they have to do is appear to be something and people believe it.

*John 8:15 You judge by human standards; I pass judgment on no one.*

Jesus said the Pharisees who study The Law of God but didn't use it!

They judged by Human standards and not Divine standards of the Word!

There are **five things** we can learn from this statement:

1. It means they judged according to outward appearance but ignored the inward condition.
2. It means they judged according to man's word not God's word.
3. It means they judged according to what pleases man and not what pleases God.
4. It means they put more value on the physical than on the spiritual.
5. It means they made this world more important than the next world.

In a world where #1 goes on racism, classism & elitism thrives!

A person's character doesn't matter, what matters is money, power and influence, to make people see them as good and they get the job.

**(Nepotism favors given to relatives, friends & followers)**

This has crept into the church and corrupted it, people don't care if the pastor has character, if they have money, power, and influence they follow them!

In a culture where #2 exists people deceive themselves into thinking they're doing God's work, building big ministries, prophesying their desires while ignoring The Truth in His Word! **(self-deception)**

In a world where #3 exists the people's **judgment** is based on what pleases man, the masses, their political or social group and **not** what pleases God! **(People pleasers)**

In a country where #4 exists people value their ideology, culture, lifestyle, and their comfort on earth more than their spiritual life. **(Lovers of self rather than God)**

People will confuse their physical life for their spiritual life, seeing them as the same. **(Carnal, selfish, and spiritually immature)**

If their physical life is prosperous, if the economy is good, unemployment down and the housing market good it means God is pleased with that nation! **(Lovers of pleasure rather than God)**

*Psalm 33:12 Blessed is the nation whose God is the LORD, the people whom he has chosen as his heritage!*

**No. 5** says people who judge based on what they see naturally have **ignored eternity** and made this world **more** important than the next!

They have **forgotten** their actions in this world determine how they'll be **rewarded and live** in the next world which is eternal!

*Luke 6:37 "Judge not, and you will not be judged; condemn not, and you will not be condemned; forgive, and you will be forgiven;*

*38 Give, and you will receive. A large quantity, pressed together, shaken down, and running over will be put into your pocket.*

**The standards you use for others will be applied to you.**"

The meaning of these verses is all about **righteous judgment!**

**Judgment and condemnation** in these verses refer to making a **final decision!**

**Forgiveness** is also a **final decision** reached after all is considered, the **actions and character** of the person, people, or nation.

**Forgiveness** cannot be taken back once it is given, neither can condemnation.

- Jesus said the standards we use for others will be used for us!

**The standards America used for 245 years is being used against her!**

The same standards of justice and truth used against every country, nation, tribe, and people group will be used for her!

America has been placed on the **False Balance** she used for generations!

THE **HANDWRITING IS ON THE WALL**; IT SAYS...

**MENE, MENE, TEKEL, UPHARSIN.**

**Numbered, numbered, weighed, and divided!**

**God hath numbered thy kingdom, and finished it.**

*Matt 12:26 ... "Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand."*

Daniel interpreted the writing on the wall in 539 BC that night Belshazzar is killed, and Darius The Mede ruled in Babylon.

However, Babylon was **not** destroyed right away, The Medes & Persians increased trade throughout their kingdom.

They changed **times and seasons**, standardizing weights, developed a universal currency, and implemented universal laws.

**Sweeping changes are coming to America that will disrupt what was once normal life in this country!**

There were **several Babylonian dynasties** on record, with the **last** manifesting during the end times.

It is called **Mystery, Babylon The Great, The Mother of Harlots and Abominations of The Earth!**

***Revelation 14:8** And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because **she made all nations drink the wine of the passion of her sexual immorality.***
