

Preparing for Famine: The Power of SEED Part 2!

KJV Genesis 1:11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, **whose seed is in itself**, upon the earth: and it was so.

12 And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

Once God created grass, herbs, trees, and plants that produce seed, He never had to create them again, the seeds guaranteed they would continue just as God created them without deviation.

Once God created Adam, He never had to create another man, his seed continued producing Adams until this day!

Seed is a unit of reproduction.

Seed ensures the continuation of a thing with the exact same functions, characteristics, and attributes as the original!

Each person is a **replication** of Adam, who was made in the image and likeness of God and not a **copy or duplication!**

In **Gen 1:11** God said all grass, herbs, and trees “*seed is in itself!*”

God puts **seed** in everything He wants to continue!

2 Corinthians 9:10 God supplies seed to the sower....

God gives **seed** to those who know what God wants to continue on earth.

BBE 1 John 3:9 Anyone who is a child of God does no sin, because he still has God's seed in him; he is not able to be a sinner, because God is his Father.

As children of God we have **His seed (The Word) in us!**

As it grows in us it produces the same nature, characteristics, and abilities as God!

The apostle Paul calls it **The Fruit of The Spirit!** (Gal 5:23)

Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

Paul says every spirit filled believer should produce them.

They cannot be turned off or eliminated because they are fruit from the seed which is The Word of God!

Once God's seed is in us it will produce fruit because it works by the same principle of **sowing and reaping!**

Paul says there is **no law** that can stop **sowing and reaping!** (Gal 5:23)

Laws regulate activities and laws must be enforced by authority!

There is no power anywhere in the universe that can stop GODLINESS because God's seed produces it!

Once a seed is sown it will produce a harvest if it is sown in good soil!

In **Matt 13:2-8** Jesus tells a parable about **seed and soil!**

The moral of the story is when the SEED is GOOD it will produce 30, 60 and 100 times more when it is planted if the SOIL is good!

There was nothing wrong with the seed (The Word of God), the problem was the soil or in this case the hearts of men!

There are 4 types of soil (hearts) of people:

Wayside, part natural and part spiritual! Mind is on the world & God so the enemy can come quickly and steal The Seed (The Word).

Stony, hard, and calloused! Troubles, Struggles, Hard times & family problems cause offenses that hinder The Word.

Thorny, surrounded by hurtful things! The cares of this world, the deceitfulness of riches choke the seed, it remains in tact but unproductive.

Good soil, soil that has been broken up, tilled with the rocks, roots and clods broken up and made ready for planting!

Jesus says this is a MYSTERY of how The Kingdom functions!

KJV Hosea 10:12 Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to seek the LORD, till he come and rain righteousness upon you.

The ground is the hearts of men born in sin, shaped by the evil in this world.

They have become hardened by the things they have experienced, this the enemy does to make it difficult for The SEED of The WORD to take root and bear fruit!

We know The Word of God is the **incorruptible seed**, no one can change it's nature or composition.

The only thing that can be changed is the heart or the soil!

Proverbs 4:23 Guard your heart more than anything else, because the source of your life flows from it.

There is **nothing** wrong with **The Word** it will produce the harvest God intended, our **hearts** are always the problem.

Whatever you put in the ground the earth will try to grow it, this cannot be stopped!

Genesis 8:22 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.

There is no law, authority or power that can stop sowing & reaping!

God says as long as the earth remains seedtime and harvest will continue

John 12:24 Truly, truly, I say to you, unless a grain of wheat falls into the earth and dies, it remains alone; but if it dies, it bears much fruit.

There are only **3** things Satan can do; try and **stop** the seed (Jesus) from entering the earth.

Stop the seed from being planted or ruin the soil the seed is planted in!

Once we give God our hearts and stay in The Word and The Word in us, it will produce fruit for the glory of God.

Seed is a unit of reproduction.

Seed ensures the continuation of a thing with the exact same functions, characteristics, and attributes as the original!

The seed of God is His Word! (1 Pet 1:23)

Mark 4:28 For the earth bringeth forth fruit of herself; first the blade, then the ear, after that the full corn in the ear.

Neither the **stalk**, nor the **ear** is the harvest, it's the **corn** that contains the seed!

It takes **faith** to plow the ground and remove the obstacles in our lives!

It takes **faith** sow seed and keep watering it until it grows!

Then it takes **patience** to **wait** for it to reproduce itself over time!

The Chinese Bamboo Tree for example:

After the seed is planted **nothing** happens above ground for up to **5 years**.

But if it keeps getting water and nutrients it is growing roots deep underground!

After about 5 years when it finally sprouts, and breaks ground it can grow 80 feet tall in 5 weeks!

Some of you need to use your faith concerning the **seed** you sow, it may take years form some of it to bear fruit, but it will!

It's a promise that as long as the earth is here seedtime and harvest will not stop!
