

## Preparing for Famine: The Power of SEED!

*KJV Genesis 1:11* And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, **whose seed is in itself**, upon the earth: and it was so.

*12* And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good.

Once God created grass, herbs, trees, and plants that produce seed, He never had to create them again, the seeds guaranteed they would continue just as God created them without deviation.

Once God created Adam, He never had to create another man, his seed continued producing Adams until this day!

Seed is a unit of reproduction.

Seed ensures the continuation of a thing with the exact same functions, characteristics, and attributes as the original!

Each person is a **replication** of Adam, who was made in the image and likeness of God and not a **copy or duplication**!

In **Gen 1:11** God said all grass, herbs, and trees “*seed is in itself*”!

**Meaning they all contain within themselves the ability to reproduce themselves over and over again by the seeds inside themselves.**

*KJV Galatians 6:7* Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

**Seed must be planted, or it will not reproduce!**

**Seed must be planted in the proper soil (environment) to reproduce!**

There are many types of seed: plants seeds, money, words, sperm etc.

All plant-based seed must be planted in the soil to reproduce.

- Sperm is a seed!

Sperm in the ground won't produce children, it must be planted in the womb in order to reproduce, this is God's way from the beginning

- Our service is a type of seed!

*Matthew 6:24 "No one can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money.*

**Service** is working for the benefit of someone or something!

Either we're working for the benefit of God and His Kingdom when we go to work doing our professions, or we're serving ourselves or this world.

The time we sow into our jobs mainly benefits ourselves and **not** God!

- Money is a type of seed!

Money hidden in the ground will not reproduce, money invested always reproduces.

*Matthew 25:14 For the kingdom of heaven is as a man travelling into a far country, who called his own servants, and delivered unto them his goods.*

*15 He gave one man ten thousand dollars, another four thousand dollars, and another two thousand dollars. Each was given money based on his ability.*

*16 "The one who received ten thousand dollars invested the money at once and doubled his money.*

*17 The one who had four thousand dollars did the same and also doubled his money.*

Notice these two **servants doubled** what their master gave them by **investing**. By putting their seed in its **proper environment!**

**The increase of wealth, and abundance are based on understanding the best environment for (money) seeds!**

- Words are seeds!

*1 Peter 1:23 Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever.*

*Prov 13:3 He that keepeth his mouth keepeth his life: but he that openeth wide his lips shall have destruction.*

*Matthew 12:36 I tell you, on the day of judgment people will give account for every careless word they speak,*

*37 For by thy words thou shalt be justified, and by thy words thou shalt be condemned.*

**Preparing for famine is about understanding seasons, seed, and environments!**

**Joseph understood seasons, seed and environments!**

During a season of plenty seed was stored in the proper place so planting can continue when the season of famine comes!

*ESV 2 Corinthians 9:10 He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.*

**God gives seed to sowers!**

People who understand the **power of seed, seasons to sow** and the **right environment** to sow into!

*KJV Galatians 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.*

**The serpent has seed too!** (Gen 3:15)

**Because seed is a unit of reproduction**, we must be careful whose seed we receive and what seed we sow!

**Seed and sowing are synonymous**, they go together because seed is meant to be sown (planted).

Whatever the **seed** is, the harvest will be!

**What type of harvest are you expecting?** It's based on what you've sown in The Last Season!

*KJV Galatians 6:7 Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.*

**We don't reap what we hope for, we reap what we've planted!**

*2 Co 9:6 But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.*

**In order to be prepared for a Famine we must sow bountifully!**

*2 Corinthians 9:10 Now he that ministereth (furnishes, supplies and helps to acquire) seed to the sower both minister bread for your food,*

*and multiply your seed sown, and increase the fruits of your righteousness;)*

Those who God has given **seed** who know when and where to plant it  
God will multiply it and increase the harvest of our righteous deeds!
