

This is a Kairos Moment!

KJV Ecclesiastes 3:1 To everything there is a season, and a time to every purpose under the heaven.

We have learned **chronos** time is time as it moves along in a linear or straight path e.g. seconds, minutes, hours etc.

- **Kairos** is due season, opportune times and significant moments God uses to change the history and destiny of mankind.

ESV 1 Chronicles 12:32 Of Issachar, men who had understanding of the times, to know what Israel ought to do...

They studied charts, maps, history, events etc. to understand the times.

Many significant world events occur in cycles of 400-500 years!

- There were approximately 500 years from Adam to Enoch!
- A little over 500 years from Enoch to Noah.
- A little over 500 years from Noah to the flood.
- God's promise to Abraham to its fulfillment in Moses 430 years.
- Othniel the first judge to Samuel the last judge was 430 years.
- David the first king to Zedekiah the last king of Judah was 473 years.
- From the end of the Old Testament (Malachi) to the start of the New Testament (Matthew) was 400 years.

This period is known as The Intertestamental Period from 530 BC to 70 A.D., after which during the next 400-500 years these events occurred.

- **476 AD** was the end of the Roman Empire, the next cycle of
- **1054** the Roman Church divides into eastern and western streams.
- **1517** The Protestant Reformation.
- **1611** King James Bible produced.
- **1619** First African Slaves brought to America.

This is **not** an exact science, we're looking at **karios** moments in history

These are all major events that at their beginning altered the course of history at first for a group of people that eventually impacted the world.

God's promise to Abraham has Israel in slavery for 430 years plus the 40 they wandered in the wilderness, but afterward they came out with great substance (Gen 15:14, Exo 3:21).

Take the **400**-year silence from heaven to earth from Malachi to Matthew.

During those 400 years several kingdoms rose to power, but the most prominent and world changing were Greece and Rome!

The whole world adopted the Greek culture, its language, customs and many of their beliefs still influence the world.

I believe very strongly we have come to another **Kairos moment** in human history!

We have reached an epoch season, meaning a time marked by notable events in life; that lead to epic (heroic and unusual manifestations).

We are 400 to 500 years removed from the last **Kairos** moments that changed the world –some I just mentioned!

In my short lifetime I can't remember a time when so many things are being repeated.

More movies are being **remade**, music is being **remastered**, **remixed** and **remade**.

In the world of politics there are **no new ideas**, people are **repacking** and **reintroducing the old ones**.

From business, to politics and to religion, what was old is new again as man tries desperately to find solutions to global problems.

We are primed and ready for a world dictator who has answers no one else has come up with!

That one world event that has already happened in 167 B.C. when Antiochus Epiphanes desecrates the temple in Jerusalem.

Epiphanes means (god manifest) he considered himself God! (Dan 11:36)

ESV 2 Thessalonians 2:1 Now concerning the coming of our Lord Jesus Christ and our being gathered together to him, we ask you, brothers,

Verse 3 *Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;*

4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God.

But before that God has a few more **Kairos moments** for the saints!

Just as Jesus came once and will come again, Elijah came once and he came again in spirit as John The Baptist.

The Holy Spirit was poured out once, and there have been many refilling's, there is one more great out pouring before the end.

***Ecclesiastes 3:15** Whatever is has been before, and what is to be is now, God repeats what has passed.*

Time maybe linear (in a straight line), but **Kairos moments** tell us some major events are destined to repeat themselves.

***KJV Ecclesiastes 1:9** The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun.*

Karl Marx the infamous German economist and communist said, "History Repeats Itself."

Things may look hopeless, depressing and bad in the world today but keep the faith God is in control!

We can know what's coming by understanding what has already come!

KJV John 16:13** Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and **he will shew you things to come.

***KJV Ecclesiastes 3:11** He hath made everything beautiful in his time.*

Jesus is coming back for a glorious church, without spot, wrinkle or blemish!
