

Why The Last Days are Dangerous Part 3

KJV Romans 1:28 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient...

Satan has been working hard from the beginning to make God look bad.

Anything perceived as bad is rejected by society; seeing God as bad causes people to reject the knowledge of God!

Remember this phrase, I'm going to use it over and over and explain it at the end!

It's impossible for anything bad to be truly beautiful!

Satan is a liar; he's been lying on God from the beginning!

He has been **constantly** calling good evil and evil good!

From the very beginning he convinced Eve what God said was evil and what he says is good (for her).

ESV Isaiah 5:20 Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter!

This is exactly why The Last Days are dangerous, people are calling evil good and good (and God) evil!

Today we have people calling men of God liars, and liars men of God.

- We have people calling the Church bad and the world good!
- People calling two men or women with a child a family!
- People can tell if gluten is in the food but not if God is in the room.

We have people who **can** tell the difference between **fake Jordans** and **Louis bags**, but not the difference between a true man of God and a charlatan (actor & pretender).

This is dangerous stuff folks!

People calling The Truth a lie and lies the truth!

❖ **No wonder these Last Days are so dangerous!**

The things the Devil does are **ugly, painful, and destructive!**

The things God does are **beautiful, helpful, and constructive!**

Can you tell the difference between the good and the bad in this world?

It's impossible for anything bad to be truly beautiful!

KJV 2 Corinthians 11:13 For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

14 And no marvel; for Satan himself is transformed into an angel of light.

Paul says **false apostles transform** themselves into apostles of Christ!

Why do they need to transform themselves?

Because in reality they're ugly, bad, and dangerous!

The reason they transform themselves is because they're **not** what they say they are!

Even Satan changes his appearance to look like a messenger of light, who speaks truth, understanding and revelation of God.

Can't you see through the disguise?

Can't you see **works of the flesh are ugly, bad, and not beautiful!**

Galatians 5:19 Now the works of the flesh are evident: sexual immorality, impurity, sensuality,

20 idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions

21 envy, drunkenness, orgies, and things like these.

These **bad** behaviors make people **ugly and unattractive** to God.

This is why it's impossible for anything bad to be truly beautiful!

At creation everything God made was **good, not bad**, because what's **good** is also **beautiful and beneficial!**

What's **bad** is **ugly and detrimental** to your well being and **dangerous!**

❖ **Only God makes truly beautiful things!**

Exodus 28:2 And you shall make holy garments for Aaron your brother, for glory and for beauty.

Those who speak for God have garments (lifestyle) of glory and beauty!

1 Chron 16:29 Give unto the LORD the glory due unto his name: bring an offering, and come before him: worship the LORD in the beauty of holiness.

God deserves glory and honor because He alone makes truly beautiful things so we worship Him in the beauty of holiness!

The **beauty of holiness** is the sacredness of belonging to God!

It's **not** a beauty that fads with time, it is being constantly changed by His presence that makes us attractive to Him more each day!

KJV Matthew 23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.

It's impossible for anything bad to be truly beautiful!

Many things a few years ago were considered **bad** are now **good!**

When I was growing up it was a bad thing for a young girl to get pregnant, now it's a good thing.

Sex before marriage has been one of the leading causes of poverty and hardship for years!

Now everyone knows its dangerous to grow up in poverty!

It used to be bad doing drugs, now they're everywhere and some are legal.

It's dangerous to grow up with *pharmakeia* (legal witchcraft) all around.

It used to be a bad thing for women to show her naked body, now its normal.

And we wonder why sex crimes have risen so high, this world has hyper sexualized everything from **commercials to cartoons.**

God says **WOE** to these people, woe means "*affliction, pain and suffering await these people*" who claim these things are good!

It's dangerous to be told something bad is good for you!

In **Matt 13** Jesus gives the parable of what **The Kingdom of heaven** is currently like. This is important so catch the revelation!

Jesus said there is **both good seed** and **bad seed** planted in **The Kingdom**, not just the world, but The Kingdom.

Right now, as it stands EVERYTHING IN THE KINGDOM isn't good for you, some things **IN THE KINGDOM** are dangerous!

ESV Matthew 11:12 From the days of John the Baptist until now the kingdom of heaven has suffered violence, and the violent take it by force.

The real prize is The Kingdom of God, Lucifer wanted all along, these earthly kingdoms last but a short time, but The Kingdom of God forever.

But The Bible assures us the day is coming when Jesus The Messiah will come and put an end to all unrighteous rule and set up His Kingdom and turn it over to The Father.

1 Corinthians 15:24 Then comes the end, when he delivers the kingdom to God the Father after destroying every rule and every authority and power.
