

## Why The Last Days are Dangerous Part 5

*KJV Deuteronomy 18:9* When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations.

*10* You must never sacrifice your sons or daughters by burning them alive, practice black magic, be a fortuneteller, witch, or sorcerer,

*11* cast spells, ask ghosts or spirits for help, or consult the dead.

*12* Whoever does these things is (an abomination) disgusting to the LORD. The LORD your God is forcing these nations out of your way because of their (abominations) disgusting practices.

All but one of the **Ten Plagues of Egypt** was a **natural disaster**.

**The LORD of Hosts used the earth to vomit His people out of slavery!**

1. The Nile River turned to blood.
2. The Nile River teemed with frogs.
3. The Land of Egypt was cover with gnats.
4. Wild animals and flies.
5. Plague upon Livestock.
6. Boils broke out on men and cattle.
7. Thunder of hail and fire.
8. Locusts.
9. Complete darkness for three days.
10. Death of the first born.

God said to Israel when He brought them out of Egyptian slavery:

*ESV Leviticus 18:24* "Do not **make yourselves unclean** by any of these things, for by all these the nations I am driving out before you have become unclean,

*25* and the land became unclean, so that I punished its iniquity (lawlessness), and the land vomited (spit) out its inhabitants.

In **Leviticus 17** God tells His people **not to worship beasts** like the Egyptians, instead offer them as sacrifices on the altar.

The Egyptians worshipped demons, beasts, the sun, moon, and stars.

In **Leviticus 18** God tells His people **not to live like the Canaanites**.

The Canaanites **lie** (had sex with) with family members and anyone or thing they desired.

The worshipping of creatures and sexual perversion with family members is an **abomination** to God.

- Let's be clear, these are **not** The Ten Commandments!

The Ten Commandments were given as **boundaries** to prevent these **abominations**.

**First of all, what is an abomination?**

**Abominations** are **unclean, disgusting, detestable, grotesque, and twisted** acts done by wicked people that ruins them and the earth.

They are to be dreaded and avoided because of the evil that follows!

Abominable acts are things to stay **away from, actions to be avoided; they are violations of God's established order that if done brings God's judgment.**

Today people are tearing down every boundary, especially Gods, they want to do whatever they want with who they want!

Today many say, "love is love" all love is good! That's a lie from hell, you can't love your cousin like he or she is your spouse!

You can't love your uncle, your best friend, or your pastor the same as you love a spouse!

Men can't love men or women love women the same as a spouse, God said these acts are an abomination, disgusting, and grotesques to Him!

God is telling us how He feels about this type of behavior and **what happens** to people who commit these **lawless acts**.

**The land becoming **defiled and unlivable** are signs abominations are being committed!**

The Commandments of **Leviticus chapter 17 & 18** reveal the lifestyles of the Egyptians and Canaanites, and what happens to the land after people live that way, it becomes **defiled** (unclean & impure).

God uses the earth to remove and repel wicked people off the land!

Could the natural disasters we're seeing across the country and around the world be caused by the **abominable** acts that are now legal?

**Jesus said** The Last Days would be a time of unprecedented famine, plagues, earthquakes. Basically, what we call natural disasters all caused by mankind!

*GWN Jeremiah 12:1 O LORD, even if I would argue my case with you, you would always be right. Yet, I want to talk to you about your justice. Why do wicked people succeed? Why do treacherous people have peace and quiet?*

*2 You plant them, and they take root. They grow, and they produce fruit. They speak well of you with their lips, but their hearts are far from you.*

*3 You know me, O LORD. You see me and test my devotion to you. Drag them away like sheep to be slaughtered. Prepare them for the day of slaughter.*

*4 How long will the land mourn? How long will the plants in every field remain dried up? The animals and the birds are dying, because people are wicked. They think that God doesn't know what they are doing.*

Could what people call **Global warming** be God's judgment?

Could the **abominations** God told Israel **not** to do **vomit** people off the land and God be preparing another people to inherit the land.

Could it be **dangerous** for those people and safe for the next landlords of the land who walk according to God's ways?
